

## ROBERT YOUNG

ESTATE WINERY

Since 1858, five generations of the Young family have been farming their 350 acre estate in Alexander Valley. Today, the family known for its rich agricultural heritage and innovative farming methods embrace a new chapter with several highly regarded wines. All grapes are sustainably farmed, estate grown, and hand-picked. The juice is fermented and aged in artisan French oak barrels sourced from some of the most revered cooperages in the world. The wine is then bottled after spending a minimum of one year in our caves.

Robert Young was among the first to plant French clones of Chardonnay in America. A selection of those original French clones is named in his honor: Robert Young Clone #17, a spectacular and distinctive vine that you find put to excellent use in this Chardonnay.

## WINEMAKER NOTES

An exotic vacation in a glass, this wine has it all.

A fragrant nose of tropical guava, nectarine, lemon peel and vanilla orchid in perfect harmony. This is a full bodied but balanced chardonnay with well integrated oak imparting elegant toasted notes of meringue, hazelnut, and macadamia. The finish is lengthy and lingering. It is going to be be really hard for me to top this wine. Drink now or cellar up to 5 years.
